**Protect your glazing  
with Graffiti Shield.**

**Using Graffiti Shield's Glass Shield is a great way to protect the glass on your windows from any vandalism**

Graffiti Shield's Glass Shield is a glass multi-layer film that can protect your glazing from:

- Acid etching
- Sharp object etching
- Wear and tear
- Hard water
- Construction damage
- Common vandalism

**GRAFFITI SHIELD** INC.

**Features include:**

- Single installation of multiple sheets.
- Visual indicators as each layer is removed. Ex: when the 4th layer is removed only the 3-2-1 indicators will remain.
- All films are designed with pliable polyesters vs. rigid opponents.
- Can be used on glass and polycarbonate surfaces.
- Glass Shield can be used on both the **Storm-Tite frameless windows** and **Evolution framed windows**.
